

Oran

Design – Mark Gabbertas

Characterized by the combination of a soft appearance and feel, with a precise and defined upholstery detail, Oran is a modular sofa system designed to work in both workplace and hospitality environments. The rounded and voluminous interior of the sofa is restrained by a defined seam, that leads the eye with ease around the sofa profile. Carried by a minimal powder coated Aluminum frame and cast Aluminum corner leg, the system allows the creation of an infinite number of configurations from a limited number of individual seat units.
